7th September 2020

Dear Parents/Carers

I would like to start with a big THANK YOU. Thank you for sticking to your child's drop off and collection times and the one-way system, I know that this is more difficult for some of you, so it is very much appreciated. If someone is dropping off or collecting your child on your behalf, please make them aware of the one-way systems. Remember masks are encouraged.

Please be considerate when parking your car around the school area, please do not park in resident only parking areas in the nearby streets.

Bikes and Scooters

Children will be able to bike and scooter to school again from **Wednesday 9th September**. The same entry and exit gates should still be used and they should be walked across the school grounds to ensure everyone's safety. Bikes and scooters should be left in the bike racks ideally locked and left at the owner's risk.

ELSAs (Emotional Literacy Support Assistants)

Our 3 school ELSAs (Mrs Carter, Mrs Dunlop and Mrs Miller) now have a dedicated email address. If you have any worries or concerns in relation to your child's mental health, whether that be stress, anxiety or anything else please email them on elsa@bowerhill.wilts.sch.uk and they will speak to your child to offer support. Once they have had a chat with your child, they will email you back so you know what the next steps will be.

Breakfast and after school clubs

A separate letter has been emailed to you today – if you would like this service please email admin@bowerhill.wilts.sch.uk by midday on **09.09.20 with the exact information requested.**

Many thanks for your continued support at this difficult time.

Rachel Skates
Principal
